The men captured were P. Braccato and Giuseppe Constante, both of whom were caught yesterday in the act of passing the bogus money.

BOILER BURSTS, KILLING TWO.

Midnight Explosion in a Rolling Mill Shakes Newport, Ky.

CINCINNATI, O., Dec. 14.—A detonation like that of a great gun, accompanied by a trembling of the earth that rattled doors and windows, shook the town of Newport, Ky., just before midnight.

A boiler forty feet long and sixty inches in diameter exploded in Smith's rolling mill, on the right bank of the Ohio river.

The boiler was demolished and the pieces scattered in all directions. The boiler was a 100-ton boiler and was used for rolling iron.
